Wednesday, April 5, 2017 | 10:45 –
Sean Ward & Anthony Purgas, RMP

A review of the current regulations and the impact of medical marijuana in the workplace, and the likely effects to employers of any legal

STRIVING TO THRIVE IN MUNICIPAL MANAGEMENT: HOW TO BUILD SUSTAINABLE SUCCESS

Wednesday, April 5, 2017 | 2:00 – 3:
Flandy Diehl, Diehl Management ar

There is a growing trend for municipalities to have newly elected councils. We can't change how we manage our uneasy relationship between management skills and organizational

BEST PRACTICE FOR PROCURING ENGINEERING AND OTHER PROFESSIONAL SERVICES (RFPs)

Wednesday, April 5, 2017 | 3:30-4:3
Deon Wilner, Past President, CEA |

Procuring engineering can be a daunting task. How do you define the scope of work, assign risk, manage changes (budget increase), & ensure

LE DÎNER EN BLEU

Delegates are encouraged to dress in a palette of blue on Thursday evening for a special night of fine dining, entertainment and fun.

6:00 p.m. Cocktails | 7:00 p.m. Dinner

VISIT US ONLINE AT WWW.LGAA.AB.CA FOR A COMPLETE LISTING OF SPEAKER BIOS

FOR LONGEVITY

11:00 a.m.

Heightened stress? Discover how to enhance your life professionally and with hope and optimism.

ITS IMPACT ON THE

11:00 a.m.

Recent cases surrounding the use of marijuana as a discussion regarding the impact of marijuana.

MANAGEMENT: HOW TO

11:00 a.m.

Planning Services

Managers to be dismissed early by council who gets elected but we can work with council by improving our processes.

ENGINEERING AND OTHER

11:00 a.m.

ConsultingEngAB

Ask. How do you: ensure value, how is best managed, limit scope, best value for the municipality?

THE TRUTH SERUM: FACING OUR FISCAL REALITIES TOGETHER

Thursday, April 6, 2017 | 10:15 – 11:30 a.m.

Christina Benty | @cbenty

Citizens can no longer demand a reduction in taxes and an increase in services because local governments cannot afford to do either. Councils and citizens need to face their growing problems with aging infrastructure together through education and engagement.

AUMA: FLEET SAFETY AND RISK MANAGEMENT

Thursday, April 6, 2017 | 1:30 – 2:30 p.m.

Cameron Vierboom, AUMA | @TheAUMA

Delegates are invited to learn more about risk management for municipal vehicles and equipment.

REGIONALIZATION – DESIGNING YOUR EMERGENCY PROGRAM FOR SUCCESS

Thursday, April 6, 2017 | 2:45 – 4:00 p.m.

Kim Irving | @ERMCItd

Regionalization of Emergency Management and Emergency Services is becoming more and more common. This session will look at two key elements that are necessary for a successful program. The initial design and, once established, how to maintain and grow your program.

THE ATTITUDE EFFECT

Friday, April 7, 2017 | 11:45 – 1:00 p.m.

Alvin Law | @ToesLaw

Our attitude is the one thing we have complete control over. We can't always choose what happens to us on a day to day basis, but we can choose our attitude. Learn how to make The Attitude Effect work for you.

Speaker Bios

Gary Anaka is a Brain-based Learning Facilitator with over 34 years of teaching experience in the public school system and is the author of two books on Brain Wellness. He has been presenting motivational keynotes and workshops in the new field of Applied Educational Neuroscience since 1997 to tens of thousands of educators, parents, students, professionals and the general public across Canada. | [@GaryAnaka](#)

Sean Ward and Anthony Pergas are with Reynolds Mirth Richards & Farmer LLP, an Edmonton-based law firm with a proud history of serving clients locally, nationally and internationally. Reynolds Mirth Richards & Farmer LLP continually meets the challenging legal needs of both urban and rural municipalities, and act as general legal counsel to municipalities, Métis settlements, water services commissions, sewage commissions, and solid waste authorities throughout Alberta. | [www.rmrf.com](#)

Randy Diehl is a retired CAO from the City of Kamloops and is the current CEO of Diehl Management Services. Randy worked for over 36 years in the public sector throughout British Columbia in Child Welfare, Social Housing, Resource Management Planning, Parks Planning, Urban Planning and City Management. Following retirement, Randy started Diehl Management Services with a focus on Management and Organizational Support Services, and Strategic Planning for non-profits and small communities. | [www.randydiehlconsulting.com](#)

Deon Wilner is the Past President of the Consulting Engineers of Alberta and is the current Discipline Lead for Water and Wastewater at ISL Engineering and Land Services Ltd. and has served on ISL's Board of Directors since 2010. As discipline lead and a hands-on manager, Deon is responsible for all aspects of water and wastewater projects. | [@ConsultingEngAB](#)

Christina Benty is the former Mayor of Golden. She retired after having served 12 years' in local government. In addition to her lived experience in the political arena, she studied political science and completed her Masters of Arts in Leadership at RRU. | [@cbenty](#)

Cameron Vierboom has over a decade of claims and risk management experience specializing in liability exposures. His experience spans numerous areas including international losses, catastrophic losses, errors & omissions, wrongful dismissal, wrongful death, wrongful arrest, personal injury, bodily injury, residential and commercial property, heavy equipment, fleet, and transportation. | [@TheAUMA](#)

Kim Irving is the President of ERMIC. Through various senior executive and leadership roles, Kim brings extensive experience in strategy, operational management and communications in the finance sector. His strong business acumen coupled with a track record of working with stakeholders to develop and implement key strategic initiatives provides the balance of corporate and tactical expertise ERMIC customers require. | [@ERMICLtd](#)

Alvin Law's mission is to spark a worldwide Attitude Revolution. A professional speaker for over 30 years, he uses his story to challenge and inspire people to rewrite the negative stories they tell themselves about themselves; to stop feeling like victims in their lives and get proactive; to stop making excuses and start making choices. Over 7,500 corporations, organizations and groups on five continents have used Alvin to ignite, engage and transform their people. | [@ToesLaw](#)
